

RESPECT AND CONSIDERATION

Respect and consideration are two words which walk vis-à-vis the other below are some definitions which can lead us in to understanding the meaning of words

- reconnaissance de la valeur ou du bien fondé (de quelqu'un de quelque chose)

Synonym: Estime

- manifestation of consideration for value or for superiority of something or somebody

- take in to consideration what life in the society imposes (Human respect)

- empêcher de réagir en maintenant à distance ou en intimidant quelqu'un

Further more we are going to elaborate on some related terms which describes the words respect and consideration for xple; Equality, human rights and droit de la femme

- **EQUALITY.** The principle of equality affirms that all human beings are equal in rights no matter their sex, their origin, religion, culture, social condition, health condition, or their level of instructions

For a very long time now the distance between this principle and reality has been very far apart, and nowadays it is very difficult to fight against inequality and discrimination which affect some categories of people

- **WOMEN S RIGH**

In almost all societies women have not profited from equal rights like men for many centuries now. Considered inferior by men, they have struggled to obtain equality of sex in domains like education, jobs, politics and in the family. This struggle initiated by civilised and literate women has extended in to the interior of the world. It is not over because millions of still have to fight in order to study and work, defend their places in their families and societies and to participate in political activities

- **HUMAN RIGHTS**

We design by the term "human right" the assemble of fundamental rights which have to be guaranteed to all humans without considering their countries of origin, their race, sex, religion or social origin
